

DATASHEET

Slimline LED Magnifying lamp

This unique, stylish slimline magnifier is ideal for all your detailed work. The bright Daylight LED's are low heat so comfortable to work with and no heat in your clients face. With a slimline head and adjustable internal spring arm you can position the lamp easily with one hand exactly where you need the light. Two easily changeable 13cm/5" glass lenses (1.75X and 2.25X) (included) ensure you see intricate details clearly.

Supplied with table clamp, floor and table stand available separately.

The Daylight LED's provide high contrast and accurate colour matching, making it easier and less tiring to work and see detail clearly. LED's never need replacing and use very little energy
