ESD Safety

**ANTISTATIC BUBBLE STRAP**

SKU: ESD BUBBLE STRAP

**PRODUCT INFORMATION**

- Size: 1X50M (WXL)
- Blow-molded with anti static additives from LDPE and LLDPE
- The sealed air bubble offers superior cushioning and shock proof function
- Made from a soft textured and flexible poly material
- Manufacturing method: Two layer extrusion with calendar role to thermoform bubble
- Standard color: Pink, but can be custom made in different colors and sizes according to clients requirements (MOQ applies)
- Anti static bubble film will not produce electrostatic charges during handling. Static charge is dissipated over the surface of the film preventing discharge onto the electronic device packaged.
