

DATASHEET

KIMTECH Pure M7 Face Veil

DESCRIPTION

The single-use KimTech Pure M7 Face Veils are an alternative to reusable veils or face masks, providing excellent breathability, with low lint levels.

There are two variants, providing a choice of fixing options:

- Head band
- Studs

FEATURES

- White, low linting, apertured polyethylene film
- Silicone and latex free
- Double bagged for added protection
- 40.6cm x 33.97cm x 10.47cm (LxWxH)
- Covered aluminium nose piece ensures exact and comfortable fit across nose and cheekbones
- One size fits all
- Choice of two variants, offering different fixing options
- Suitable for ISO 7 rated cleanrooms
