Anti Static Wrist Band, Anti Allergenic Fabric, Blue, 2.4m Cord, 10mm Stud

This anti static metal wristband is made from flexible stainless-steel metals. This makes the wrist straps easy to be kept clean while not generating particles. Therefore, they are ideal for use in semi-clean/low particulate environments such as cleanrooms.

FEATURES & BENEFITS

- Color: Blue
- Coil cord length: 2.4m
- Snap size: 10mm
- Coil cord end: Alligator clip
- Resistivity: 10^6 Ohm
- Comfortable and fully adjustable
- Easily fit any wrist size
