DuraStripe Signs are completely customizable; pick your own text, colors, pictograms, or logo. DuraStripes Signs are more economical than painting because no specialized costly labor is involved and they install in seconds. Also, no dry or cure time, fumes or messy clean up to limit or stop production. Our fade-resistant floor signage is durable and tough enough to withstand forklift and pedestrian traffic and is backed by a 2-year warranty.

A €20 service fee will be applied to all orders below €50.

GLOW SIGNS & BAR CODES Euro Price List 2016

DURASTRIPE® GLOW SIGNS

All DuraStripe Signs are also available in a 2-color glow-in-the dark version! DuraStripe Glow Signs are ideal for communicating evacuation routes or exits to workers during a power outage.

- Ideal for perfect or less than perfect floors
- Simple and easy peel-&-stick installation
- No dry time, cure time, fumes or messy clean up to limit productivity

WARRANTY: DuraStripe products are covered by a solid 2-year warranty. Situations exempt from warranty include:

- If DuraStripe product comes up from the floor due to floor not being cleaned properly.
- If DuraStripe is pulled up by a pallet being dragged or pulled by a forklift / tow motor.

Pricing: Standard DuraStripe sign + 25%

DURASTRIPE® BAR CODES

The only durable solution for floor bar coding on the market today! Combining a crisp and clear image needed for scanners and the durability known from DuraStripe signs to ensure a long term solution.

- Can be installed on the floor or on racking
- 2 year warranty
- Crisp & clear image
- UV fade resistant
- Ideal for perfect or less than perfect floors
- Simple and easy peel-&-stick installation

WARRANTY: DuraStripe products are covered by a solid 2-year warranty. Situations exempt from warranty include:

- If DuraStripe product comes up from the floor due to floor not being cleaned properly.
- If DuraStripe is pulled up by a pallet being dragged or pulled by a forklift / tow motor.

Welcome to Ergomat.com - Your #1 Source for Lean and Safety Solutions!

Ergomat Warranty

All Ergomat product lines are conditionally warranted against normal usage* 24 hours a day, 7 days a week. The warranty does not cover damage caused by the mat being dragged or pulled from a heavy load or items being pushed or dragged across the product, such as skids or pallets. The warranty against chemicals, oils, liquids, or other matter differs with the type of mat. Please consult your dealer or an Ergomat Rep to select the correct mat for your environment. The warranty periods starts from the date of purchase. The warranty only covers the replacement of the product, no direct or indirect costs are covered.

Over time in use, there may be yellowing of the white polyurethane on the underside of Infinity mats, similar to what you find with any white polymer. This can be a result of cleaning products used or other environmental factors such as humidity or UV lighting, etc. This color shift does not fall under the product warranty. It does not affect the durability, performance or functionality of the product in any way.

* It is considered normal usage when a person stands or walks on the Ergomat with regular footwear in an environment where the temperature is under 25° C (77° F) and the humidity is below 80%.

DuraStripe Warranty

DuraStripe products are covered by a solid 2-year warranty. Situations exempt from warranty include:

- If DuraStripe product comes up from the floor due to floor not being cleaned or cleaned properly.
- If DuraStripe is pulled up by a pallet being dragged or pulled by a forklift / tow motor.
- Signs without the white border will not be warranted under our 2 year-warranty

DuraStripe is a remarkably durable product for safety marking and floor signage, but it will not work in all situations.

The following is a list of applications where the use of DuraStripe is not recommended and could potentially present a safety hazard"

- In freezers and environments where the ambient temperature regularly drops below 4°C (40°F), only DuraStripe Deep Freeze can be used
- Any diamond plate surface
- Textured or pebbled concrete surfaces. (In the case of a fine grit texture, Supreme might possibly work, but we recommend testing before purchase)
- Floors that "sweat" in the summer humidity
- Excessively gouged or chipped floors
- Covering paint that is releasing from the floor
- Stair treads

In addition, although DuraStripe can work in certain outdoor applications, we do not warranty it for outdoor use.

ErgoPerfect Warranty

Ergomat Inc. hereby warrants that the products distributed shall be free of all defects in original material and workmanship for the warranted period of the product under normal use*.

This warranty does not apply to:

- Normal wear and tear, which are to be expected over the course of ownership.
- Damage resulting from shipment, which will be handled under separate terms.
- Damage resulting from storage, alternation, unauthorized repair, undisclosed potentially damaging chemical/products, infestation, misuse, abuse, accident, acts of God, natural causes, and/or exceeding listed capacities.
- Products used for rental purposes.
- Failure to provide reasonable and necessary maintenance (as prescribed in the product instructions).
- Ergomat Inc. shall NOT be liable for consequential or incidental damage arising from any product defect.

*Normal Commercial Usage for ErgoPerfect chairs and workstations is defined as 8 hours a day, 5 days a week with a weight capacity not to exceed 250 lbs. The warranty shall be pro-rated for double-shift or triple-shift usage.
