

## DATASHEET

### DURASTRIPE MEAN LEAN

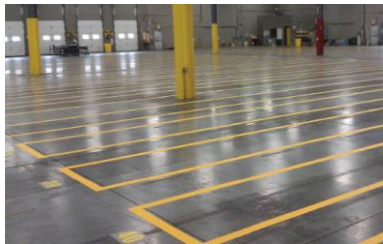

#### Description

DuraStripe Mean Lean incorporates many of the most desirable qualities of Xtreme DuraStripe into a thinner, more economical marking material that delivers remarkably robust performance. It resists scuffing and cleans easily, making it perfect for aisle striping as well as for lasting 5S, Six Sigma and Visual Workplace indications. When cell reconfiguration is required, DuraStripe Mean Lean can be easily removed saving time and labor.

The durable, economical marking solution which is perfect for

- Newer or reconditioned industrial and commercial floors
- Light to moderate forklift traffic
- Reconfiguring 5S, Lean Manufacturing and Visual Workplace programs
