

Item No: 599TF

The Weller Erem Series 500 Micro is a full range of medium sized, robust, precision cutters with a wide range of head shapes. The cutters are manufactured from high grade tool steel. The cutting edges are hardened to Rockwell 63-65 HRC. The precision cutters have a nonreflecting surface, are ESD safe and resharpenable.

KEY FEATURES

- + This is the most widely used head shape.
- + Fits for all cutting applications where easy access is given
- + It is robust and size for size offers the highest cutting capacity.
- + Similar to 599T but Flush
