Anti Static Wrist Band, Metal, Black, 1.8m Cord, Alligator Clip

A comfortable, fully adjustable wristband incorporating a 10mm press stud. Supplied complete with a durable coiled earth lead, with either a 10mm press stud or a 4mm banana termination. The fabric wrist strap and stainless-steel design is hypoallergenic to reduce the changes of skin allergies.

Anti Static Wrist Strap is comfortable and fully adjustable. This set comes with a 6ft long coiled earth lead and 10mm stud termination and is an ideal set to reduce the dangers of static electricity damage in EPAs, electrostatic protected areas.

Please note that this product is available as either a 10mm to banana socket, or 10mm to 10mm stud.
