

MOVABLE TROLLEYS

1 AL-ST Equipment trolley

Equipment trolley is designed for additional equipment storage and transportation. It has five height adjustable shelves and a half-size power panel with four sockets and a switch. The panel is located on the side frame thus does not occupy any space on shelves. Equipment trolley side frames are manufactured of aluminum profile, which allows attaching small elements, and gives the whole unit elegant look. Trolley has four casters, two of which are with brakes as supports.

- 463×693×1940 mm
- 150 kg
- lower shelf 460×535 mm
- four upper shelves 400×600 mm

2 ST-05 Movable trolley
