

GROM LIGHT

01-025920

Protektor Grom Light is a special line of military and outdoor footwear designed for professional soldiers, uniformed services personnel, security officers and border guards. The Protektor boots are made of velour leather, which ensures high breathability and wicks sweat away to the outside. Thanks to the solutions applied, the military boots are resistant to damage, which significantly prolongs its life.

Brand	GROM
Industry	Security services / Convoy protection, Tactical, Trekking
Product type	Ankle boots
Color	● Gray
Norm	not applicable
Certificate	not applicable
Product features	increased breathability, increased water resistance, metal free, bellows tongue, disinfection
Product characteristics	<p>increased breathability</p> <p>velor - increased water vapor permeability in the requirements of min 0.8 mg / (cm² * h) - our result is 8.8 mg / (cm² * h), the water vapor coefficient is required at least 15 mg / cm² - our result is 79.4 mg / cm²</p> <p>increased water resistance</p> <p>velor - water absorption after 60 min - in requirements no more than 30% - our result 3.15%, water permeability expressed as material weight gain after 60 min - in requirements no more than 0.2 g - our result 0.02 g</p>
Upper material	Velour leather
Lining & Sock	Technological fabric
Insole	Fabric, replaceable insole
Sole	Pu/Pu, resistance to acids, resistance to bases, resistance to short-term contact with hot ground at 180 ° C, PRT FLEX technology, SHOCK ABSORBER technology
Fastener type	Shoelaces
Fit type	H
Available sizes	FR 36-48 CM 23-31 UK 3,5-13
Weight (half pair s.42) +/- 3% t.	0,59 kg
